

REMARKS

In response to the Notice of Non-Compliant Amendment, Applicant hereby resubmits the amendment to the claims. As indicated to the undersigned by the Examiner, Applicant hereby includes the amendment to the claims as filed with the present applicant as if the amendment made to the claims filed on April 21, 2005 were never entered. In particular, Applicant has provided appropriate markings to the claim 8 to show all the insertions and deletions to the claim. It is therefore respectfully submitted that the current amendment is in compliance and that it can be entered. Applicant requests that this Amendment to the claims together with the Amendments to the Abstract and the Specification and the remarks made on April 21, 2005 be considered.

As the Applicant has overcome all substantive rejections and objections given by the Examiner and have complied with all requests properly presented by the Examiner, the Applicant contends that this Response, with the above discussion, overcomes the Examiner's objections to and rejections of the pending claims. Therefore, the Applicant respectfully solicits allowance of the application. If the Examiner is of the opinion that any issues regarding the status of the claims remain after this response, the Examiner is invited to contact the undersigned representative to expedite resolution of the matter.

Please charge any fees associated herewith, including extension of time fees, to 50-2117.

Respectfully submitted,
Sequeira, Raul E.
